

BMTA COVID-19 Guidelines

BMTA normally schedules four or five hikes per month, some “leisure” hikes that are shorter and easier and some 5 to 8 miles and of moderate difficulty. In addition, we have occasional backpacking hikes and more difficult ones that might be called “hardy hikes.” Occasionally we co-sponsor hikes with other organizations. Some, but not all, of our hikes are “dog friendly.” Although more hikes are in Georgia than the other states, you will find hikes in all three BMT states: Georgia, North Carolina, and Tennessee.

COVID-19 Statement

If you believe you are in a high-risk group, please evaluate whether going on this hike or maintenance trip is worth the potential risk.
